

Web marketing assistant

From early September to late February

About us:

Sino Concept is a fast-growing company in the street furniture and traffic safety products industry exporting to more than 20 countries around the world! Our leadership is young and dynamic and our team open minded and multicultural.

Our office is located in Qingdao, a seaside city in the Shandong province in China, providing you with a unique opportunity to experience life in one of China's most beautiful regions. Beijing and Shanghai, the two Chinese metropolises, are located nearby and are easily reachable by plane or train allowing you to visit China's greatest historical monuments!

Job responsibilities:

- Search engine optimization (SEO)
- Blogging
- Social Media Optimization (SMO)
- Developing marketing tools (Videos, photos, datasheets, etc.)
- Market research

What we are looking for:

- Bachelor / Master student in business or marketing looking for a work experience in a fast-growing and multicultural company
- Sociable, easy-going and team-oriented
- With hands-on mentality, strong research skills and an eye for details
- Fluent in English and/or French; any additional language would be a plus

We offer our interns a modern and centrally located accommodation in the near proximity of the office and the social hub of Qingdao! Everything you need is just a walk away and all utility bills are taken care of by our company.
