Procurement Intern

Location: Wrocław

Main objective of the role:

- Supporting standard purchasing tasks to procure materials and services consistent with specified levels of quality, delivery and total cost, for BD operations supported by Shared Service Center
- Being responsible for assigned transaction from receipt of requisition, placement of orders and change orders, including expediting of materials and services from the supplier and payment process resolution

Requirements:

- Very good command of English
- Command of any other foreign language is a plus
- Strong communication and team-working skills
- Proactive approach and "can-do" attitude
- Willingness to learn and take ownership
- Ability to multi-task and work effectively under tight deadlines

We are offering :

- Paid internship for a period of 3 months with an Internship contract
- Flexible working hours
- Challenging and rewarding work in an international company
- Opportunity for professional growth
- Friendly work environment and healthy oriented culture (healthy food, sport activities, participation in pro-health actions and events, charity initiatives)
- Perspectives for permanent role

If that role sounds interesting please send us your CV in English using the subject „Procurement Intern”
