## What do our participants value us for?

"I would like to express my sincere thanks for participating in the Career Boost project. My mentor turned out to be an excellent professional who put a great deal of effort into helping me with my current situation, especially in the context of my job search. During our meetings I gained a lot of valuable information and learned a lot from him. Thanks to him, I have regained my motivation and confidence in myself and my skills."

- **Maryna**

"During the webinar, I received a lot of useful tips for both CVs and interviews."

- **Magdalena**

"At the mentoring meetings, in addition to various interesting discussions and receiving a dose of motivation, I also received a lot of practical advice on what and how I can do to develop my career."

- **Michał**

"A very good project, I am glad I took part in it. It has helped me get my CV in order and made it clearer how I should answer questions during recruitment."

- **Karolina**
